

ASB STADIUM STAY SAFE

BE AWARE AT ALL TIMES

Everyone

Is responsible for their own health & safety.

If you see a hazard, let us know as soon as possible or when it is safe to do so · **Food or drink is not permitted on the court as it can cause slips or falls** · Emergency signage, lighting and sprinkler systems can be damaged by ball play out of the court · **Climbing on walkways or hanging from railings can result in injury or death** · Accident forms are located outside of the stadium office · **First Aid kits are located in the sports office and stadium office** · Register all incidents

FIRE ALARM

If you hear the fire alarm, vacate the building immediately. If no one is around, notify the school or the stadium by phone.

ASSEMBLY POINT

The sports field next to the stadium.

WHAT TO DO

If no one else is here, make sure all your students or children are accounted for.

Fire doors should not be left open in case someone tries to enter the building

Wait for the fire service to attend. If it is safe, stand next to the fire panel in front of the building.

Make sure evacuation exits are not blocked
