## What Do We Offer?

We are more than capable of transforming our Stadium from a classic gymnasium prom setting into a beautifully decked-out ball room.

The Main Floor has the ability to accommodate a school ball for around 200 to 800+ guests. We have ample space and tall ceilings that will compliment your creative visions, a spacious dancefloor for non-stop dance battles, and a stage suitable for a DJ and show-stopping sets.

As well as being a magical entrance way, our Foyer is spacious enough to be utilised in multiple ways; such as a bar or photo booth station. Our Lounges act as the perfect getaway for teachers to mingle while the kids are tearing up the dancefloor, and our Catering Kitchen is fully equipped for caterers to whip up a delicious feast for all!
